5 Steps to great reading

1.

Clarify

Does the story make sense to you? Review what you have read to try and find answers for any questions you have.

2.

Connect

Can you relate to anything in the story? Are the story, character or settings personally relatable to you?

3.

Predict

What is going to happen? Think about where the story will go and read on to see if you're right.

4.

Evaluate

What do you think? See how you feel about characters and stories.

5.

Question

What story or section of reading do you wish to know more about?
