

Birthday Line-up

Birthday Line-up is a fun group activity where learners are challenged to work together to form a line in a specified order, without talking!

Instructions:

1. Students line up in a straight-line side-by-side.
2. The teacher will ask the class to get in order of their birthdays.

Remember, there's no talking!

Other challenges to set students:

- Line up in alphabetical order using your first name (or last name)
- Line up in height order
