**List word/answer:** scary/car, hoarse/oar, goanna/go, echidna/hid, twelfth/elf, neighbour/neigh, migratory/rat, kowari/war | **Leftover letters:** mammal

#### **Postcard:**

Hello there. Everyone except my neighbour went to the edge of the cemetery to see the migratory echidna on the twelfth. It was scary when a mysterious, hoarse sound was heard, but it was only a thylacine who had hit its forehead. We also saw a skink and a goanna, but a kookaburra got them.

Love from Jess

**Bold letters:** Australian animals

#### **Unit 5 - Revision**

**Picture puzzles:** forfeit, access, rosella, awful, bluebottle, enemy, forehead, jellyfish

**Unscramble:** bilby, echidna, wallaby, rosella, cockatoo, reptile, budgerigar, cassowary, numbat, kookaburra
