

# Explore your child's online Mathematics program

Mathletics

## Dear Parent or Guardian,

Your child is using Mathletics as part of their mathematics lesson at school. Mathletics is a targeted, rewarding and captivating online learning resource, which is aligned to curriculum standards. Your child has take-home access to Mathletics – they simply sign in with their school username and password using any compatible computer or mobile device.

The extra Mathletics practice at home can make all the difference to your child's progress. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

### Sign in with your child to start exploring what Mathletics has to offer:

- 1 Visit [www.mathletics.com](http://www.mathletics.com) using your child's login details below.
- 2 Explore all the engaging activities and games Mathletics has to offer.
- 3 Check out 'My Progress' for your child's activity results and certificates.
- 4 Go to the Parent Portal to [sign up](#) for weekly reports on your child's progress delivered straight to your inbox at [mathletics.com/parent-portal/sign-up](http://mathletics.com/parent-portal/sign-up).

#### PC & Mac

Simply visit [mathletics.com](http://mathletics.com)  
and click 

#### QR Code Sign In

Jump into Mathletics effortlessly using  
the QR code on your sign-in card

#### Tablet & iPad

Download our FREE Student App  
from all major app stores

### Student Mathletics Login:

Fill out student login information or  
print off QR Code Card.

# Mathletics Primary Console Map

## Student 'To-Do' List

Students will find all teacher-assigned activities under this tile. They could be curriculum activities (Skill Quests and Courses), Problem-Solving activities or Assessments.

## Explore

Explore gives students access to thousands of curriculum based questions through the **Quests** and **Activities** tabs. Students can voluntarily work in these areas to earn extra points. Under the **Challenges** tab is where they'll find Problem Solving & Reasoning activities. Assessments are located under the **Assessments** tab and Times Tables Tunes and Magic Mentors videos under the **Videos** tab.

## Game-Based Learning

**Play** offers a range of engaging mathematical games including Live Mathematics, Multiverse and Rainforest Maths and more.

## Personalised Learning Environment

The **student interface** is customisable, allowing students to create their own avatars and modify their backgrounds.

## View Results

The **traffic light system** allows students to easily track their progress through each topic. Red signals require additional study, yellow signals indicate that the student's understanding is developing and green shows evidence of mastery.

## Search

Students can use the search function to quickly find curriculum activities or content.

## Meritopia

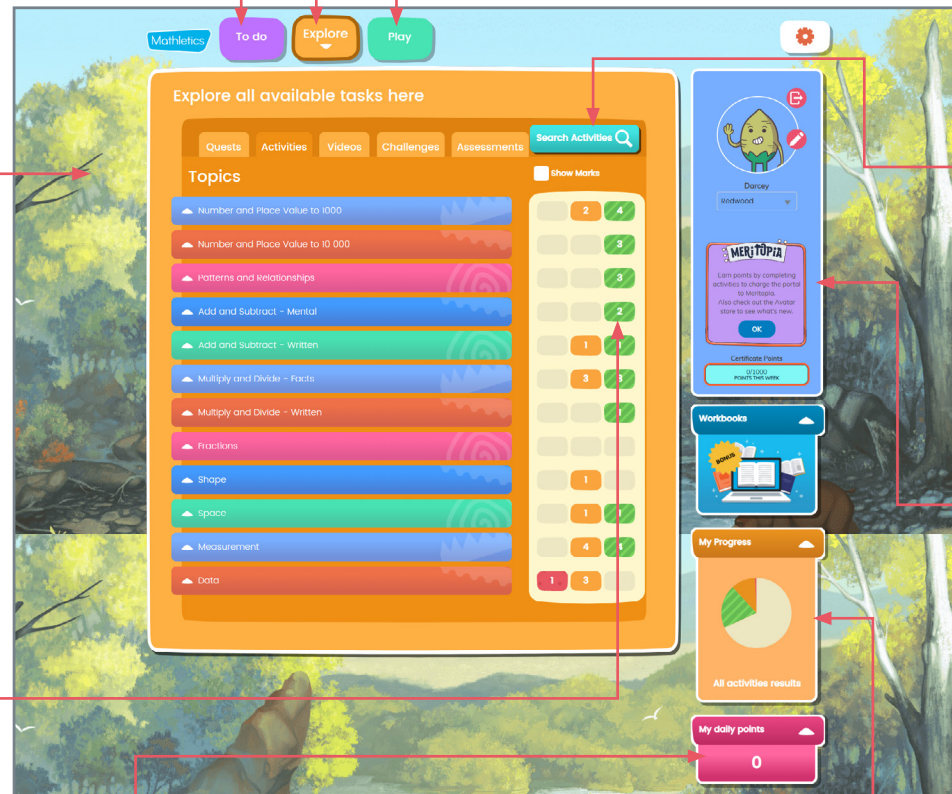

An engaging student reward system. Students earn points as they complete activities which opens the door to an interactive open-world game.

## Celebrate Learning!

Daily and weekly point indicators let students know how many points they have earned for correctly answering curriculum activities and Live Mathematics questions, as they work towards earning certificates and claiming their place on the Mathletics Hall of Fame!

## Self-Directed Learning

My progress shows the total number of activities completed, with the results clearly displayed, to allow students to identify strengths and weaknesses in their own learning.

# Top 10 Tips for using Mathletics to support your child's learning at home.

Mathletics

**1** Check out our Parent Portal to learn more about Mathletics and sign up for weekly progress reports at [www.mathletics.com/parent-portal](http://www.mathletics.com/parent-portal) parents using your child's username and password.

**2** Mathletics can be accessed on PC / Mac, iOS and Android devices as well as Windows tablets and Chromebooks. For use on iPads, Mathletics can be accessed through Safari, or downloaded as a free app.

**3** Your child's teacher has set them up with the correct curriculum content allowing your child the ability to explore independently, as well as completing any assigned work.

**4** Encourage your child to achieve a weekly certificate, by earning 1000 points or more. You can only achieve 1 certificate each week.

**5** Mathletics uses a traffic lighting system to show children's achievement in each activity. Activities completed with a score of 85% or more will show green Your child can see which activities they need to practice a little more by looking for any with an orange indicator – meaning they scored 50-84%. Activities in red, they will need some extra help with.

**6** If a teacher has assigned an activity to complete it will appear in your child's To-Do List. Any items in the To-Do List need to be completed before your child can access other areas of Mathletics. If there are no items on the To-Do List, students can access curriculum and problem-solving activities under the Explore tab.

**7** If your child finds a question difficult, remind them that there is a button at the top right hand side of each question and clicking on this will open up some support to help them.

Note: This feature is available for 'Activities', and is coming soon to 'Quests'.

**8** Mathletics is full of great additional activities that make learning Mathematics fun. In the Play area, children will enjoy Live Mathletics, Multiverse, Rainforest Maths and Playpaws.

**9** Practicing mathematics offline is important too! You and your child have access to printable worksheets right in their student console.

**10** Celebrate achievements and effort

Certificates – On the right-hand side, under your child's avatar you can click to view and print certificates

Hall of Fame – On the right-hand side, under your child's avatar you can click into the Hall of Fame.

# Mathletics Rewards and Recognition

Mathletics

## Mathletics understands the importance of keeping your child motivated and engaged.

Different children are motivated by different rewards. From avatar credits for improvement, to points for correct answers, certificates and more, find out how Mathletics keeps students engaged in their mathematics learning.

**Points:** Students are awarded points for every correct answer they give in Mathletics curriculum activities and Live Mathletics. The student's weekly points score is displayed at the top of the student console. When a student has earned 1000 points in a single week they are awarded a certificate.

### My daily points

In **To do**, daily points are displayed on the right-hand side.

*This resets every 24 hours.*

### Points this week

In **My progress**, points this week are displayed on the right-hand side.

*This resets each week.*

## Earning points

### Curriculum content (Quests & Activities):

- 1 x correct answer = 10 points
- 1 x correct test answer = 20 points
- 1 x correct "Are you ready" answer = 20 points

### Live Mathletics:

- 1 x correct answer = 1 point
- 1 x correct bonus level answer = 2 points
- First place = 5 credits
- High score = 10 credits

### Bonus:

- Level up or complete a Quest = 50 points

*Each week, students can earn a maximum of 300 points on any one activity and 600 points on any one test.*

## Earning certificates

- 1000 points earned in a week = 1 Bronze certificate
- 5 Bronze certificates = 1 Silver certificate
- 4 Silver certificates = 1 Gold certificate

**Students cannot earn more than one of the same type of certificate in the same week.**

Example: Student earned 2100 points in one week, student earned 1 Bronze certificate.

**However, different types of certificates can be awarded in the same week.**

Example: Student earned their 20th Bronze Certificate this week. This also gave them their 4th Silver Certificate, which, in turn, earned them a Gold Certificate.
