

# Reward Coupons Pack

Supporting teachers to engage students in learning, encourage good behaviour and ultimately make a classroom run much more smoothly, this pack is filled with the perfect resources to foster a positive learning environment.

The unique coupons are designed to ensure students are rewarded with classroom privileges that will make them feel special (and they are guaranteed to love!).

## What's in this pack?

30 x pre-filled  
reward coupons

30 x blank  
reward coupons

1 x A2 Class Effort  
Tracker Chart

## What do I do with the blank coupons?

Create special coupon cards for your students, with your students!

## How do I use this pack?

### Suggestion 1: Simply reward students with coupons

When a student exhibits excellent behavior, effort or results (based on the student's individual learning outcomes), reward them with a special coupon to use in your classroom.

### Suggestion 2: Incorporate the Class Effort Tracker Chart

For every 10 stickers (or marks) a student receives next to their name on the tracker chart, reward them with a special coupon to use in your classroom.

Once they reach 50 you might even want to reward them with something extra special!
