

Welcome to the Stellar Stadium Competition!

Dear Parent/Caregiver,

Your child is participating in a fun literacy competition with their class using the Reading Eggspress Stadium!

They will be practising core literacy skills of spelling, grammar, punctuation, and vocabulary, online in the Reading Eggs program.

What is the Reading Eggspress Stadium?

The Reading Eggspress Stadium is home to 4 different literacy games – Spelling Sprint, Grammar Skating, Vocabulary Pursuit and Freestyle Usage. Students challenge each other in Spelling, Grammar or Vocabulary 30-second races that test their knowledge and fluency in these areas.

They can choose to play against their peers in their class, their school, or the world! They can also opt to practise.

How does my child access the Reading Eggspress Stadium?

Sign into sso.readingeggs.com/login with your child's login information. Then select **Reading Eggspress** and then click **The Stadium**.

To select which game to play, click **Overview**. Once the game has been selected, students can click the **Back** button to select who they would like to play against.

That's it! Happy practising!

The Reading Eggs Team
