

Scaffold: Traditional fairytale

Title

Orientation:

- When (a long time ago, once upon a time)
- Where (castle, forest, cottage, a land far away)
- Who (princess, King, wicked witch, giant – hero and villain)

Complication:

- What events happen before the problem develops?
- What is the problem?
- What events happen to the characters during the problem?
- Have you included a twist to change the reader's expectations?

Resolution:

- How is the problem solved?
- Who solves it?

Conclusion: (happily ever after)

- What happens to the characters in the end?
