

Graphic organiser: Anecdote

Use the story chain below to help you plan and organise your information for your own anecdote.

The graphic organizer consists of seven empty, rounded rectangular boxes with black outlines, arranged in a zig-zag pattern. The boxes are intended for students to write the steps of their anecdote. The layout starts with a box on the top left, followed by a box to its right, then a box below that, and continues with a box to the right, then a box below that, and finally a box to the right of the last one.
