

Scaffold: Historical narrative

Title: (give the reader an idea of the historical time period)

Orientation:

- When
- Where
- Who

Complication:

- Are there lead up events to take the reader into the problem?
- What is the problem?
- What events happen to the characters?
- What happens to the characters after the problem has occurred?

Historical References:

- important dates
- important people of the time
- important events that happened
- words that people used
- clothes that people wore
- jobs that people had

Resolution:

- How is the problem solved?

Reorientation/Coda: (This is an optional ending.)

- What happens after the problem is solved?
