

# Graphic organiser: Science fiction narrative

Use the story path below to help you plan and organise your information for your own science fiction narrative.

The graphic organiser is a flowchart for planning a science fiction narrative. It consists of a central path of boxes connected by arrows, with additional boxes for 'Where:', 'Who:', 'When:', 'Why:', 'Orientation', 'Complication', 'Resolution', and numbered steps 1-6.

The central path consists of the following boxes in order:

1. What happened?
2. What next?
3. The problem
4. More detail about the problem
5. Solve the problem
6. Ending

Additional boxes include:

- Where: (top left)
- Who: (top middle)
- When: (bottom left)
- Why: (bottom middle)
- Orientation (between Where: and Who:)
- Complication (between Who: and 1. What happened?)
- Resolution (between 6. Ending and 4. More detail about the problem)
