

Scaffold: Cultural folktale

Title:

Orientation:

- When (a long time ago, many years ago)
- Where (village, mountains, forest)
- Who (poor farmer, kind hearted boy, a giant bird)

Complication:

- What is the problem?
- What events happen to the characters?
- Is there more than one problem?
- What events happen to link the problem to the rest of the story?

Cultural references:

- character names
- place names
- plants and animals native to the area

Resolution:

- How is the problem solved?
- What lesson does the main character learn?

Conclusion:

- What happens to the characters?
- How do they react to the events?

Ending:

- What is the moral or message to the story?
