Do you get confused by text types? Do you want an easy, no fuss way to improve your writing? Then 'Blake's Writer's Guide' is certainly the book for you. It is a comprehensive reference book for anyone who wants to communicate effectively through writing.

Written by an inspirational classroom teacher with over 18 years experience, 'Blake's Writer's Guide' is an essential tool for middle and upper primary school students looking to enhance their written expression.

The book features a clear and easy-to-follow format and an extensive index means that you will always be able to find what you are looking for. Every tool or resource a writer would ever need to use is examined and explained in this comprehensive guide. Seventeen different text types are analysed with annotated example texts investigating both structural and language features.

The text also presents a step-by-step look at the writing process with highly useful tips for students on how to write:

- engaging introductions
- cohesive paragraphs
- vivid descriptions
- effective conclusions

Everything you need as a writer, from graphic organisers to tips on revising and editing, you will find it all here in easy to understand language. 'Blake's Writer's Guide' is a must for every primary school teacher and student.
