

# Scaffold: Review of Written Text

Author's name:

Book title:

Publisher name:

Date published:

Introduction: (question to involve the reader in the topic / main idea of the book)

Summary of factual text:

- What information is provided in the text?
- What visual aids are included?
- How is the information organised?
- What ideas/themes/opinions are presented and what evidence is there to support them?

Evaluation of factual text:

- How well is the information presented? Does it use appropriate language? Give examples.
- How well do the visual aids relate to the text? Are they supportive or do they detract?
- Does the text achieve its purpose? Explain and give examples.

Conclusion:

- your overall opinion of the book
- who would like to read it and why
