

Student 'To-Do' List

Students will find all teacher-assigned activities under this tile. They could be curriculum activities (UPF and Courses), Problem-Solving activities or Assessments.

Explore

Explore gives students access to an array of auto-assigned activities which are aligned to their region and year group. Students can complete these activities voluntarily. They will also find Times Tables Tunes and Magic Mentors videos here.

Game-Based Learning

Play offers a range of engaging mathematical games including Live Mathletics, Multiverse and Rainforest Maths and more.

Personalised Learning Environment

The **student interface** is customisable, allowing students to create their own avatars and modify their backgrounds.

View Results

The **traffic light system** allows students to easily track their progress through each topic. Red signals require additional study, yellow signals indicate that the student's understanding is developing and green shows evidence of mastery.

Search

Students can use the search function to quickly find curriculum activities or content.

Meritopia

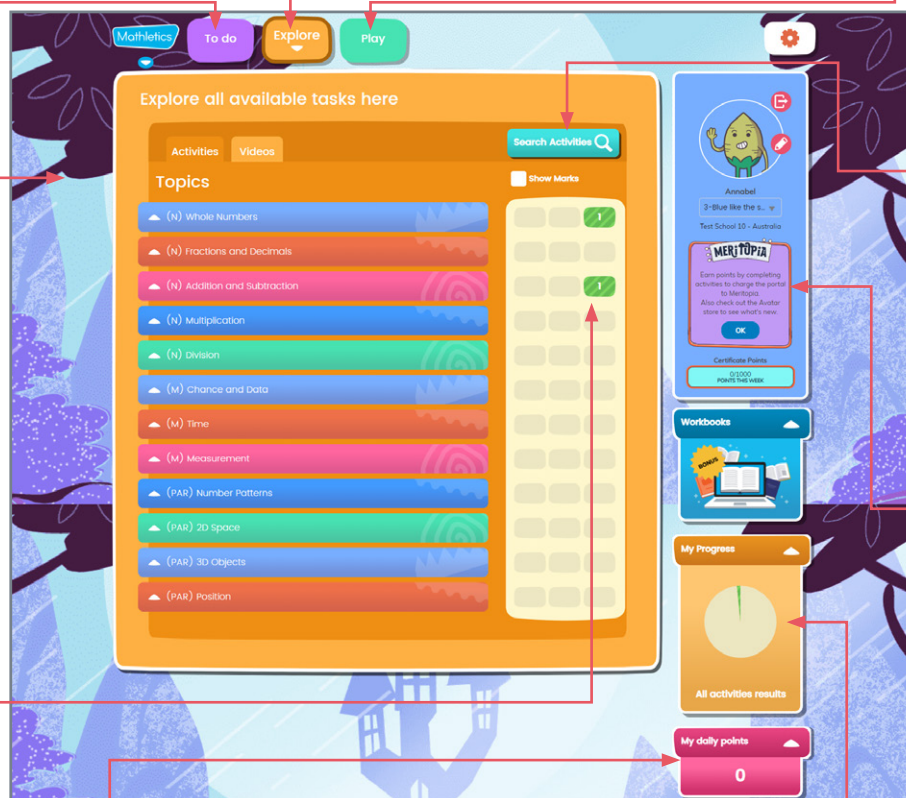

An engaging student reward system. Students earn points as they complete activities which opens the door to an interactive open-world game.

Celebrate Learning!

Daily and weekly point indicators let students know how many points they have earned for correctly answering curriculum activities and Live Mathletics questions, as they work towards earning certificates and claiming their place on the Mathletics Hall of Fame!

Self-Directed Learning

My progress shows the total number of activities completed, with the results clearly displayed, to allow students to identify strengths and weaknesses in their own learning.
