Mathletics

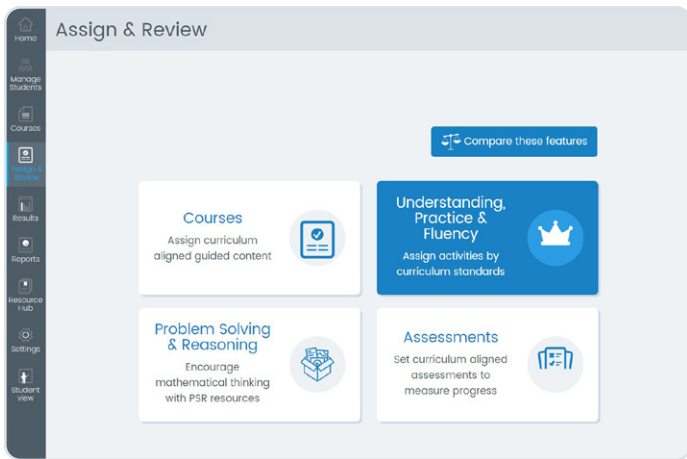

Understanding, Practice and Fluency tasks will support your teaching needs with content that explicitly addresses your curriculum needs.

Your students will develop deep conceptual fluency and understanding through pedagogically-crafted learning journeys that offer contextual support where required.

UPF presents the curriculum to you broken into standards. Each standard containing key tasks (learning journeys) that you can assign your students to complete.

## Task Search

- Login to your teacher console
- Head to 'Assign & Review' 
- Select 'Understanding, Practice & Fluency' 

## Selecting Curriculum/Grade

- Select the 'Curriculum' from the drop down menu.
- Select the 'Grade level' from the drop down menu.

## Select Class and Group

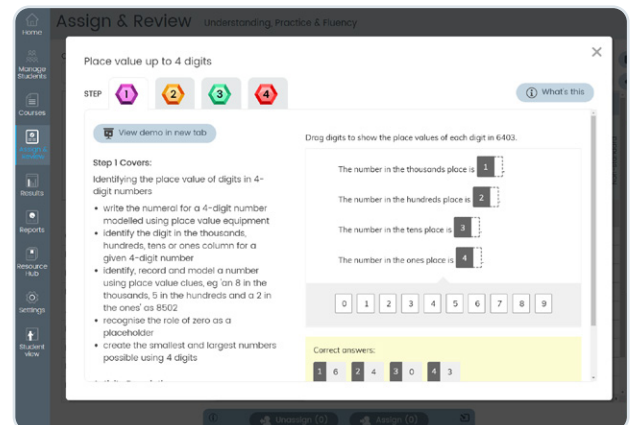

- If you have multiple classes, select the class you'd like to assign work to from the 'Class' dropdown menu.
- Select either your whole class or a learning group you've created via the 'Group' dropdown menu.

## Preview/Teacher notes

Click on the arrow below a task to open the menu (seen below):

- Preview a task – see what types of questions are in each step, as well a demo of the questions.

## Assigning a Task

Assigning a task can be done in three ways (please refer to the map below for more information):

- 1** Assign a task to a student.  
Select the assign box below the task and across from the student.
- 2** Assign a task to all students.  
Select the tick box below the task.
- 3** Assign all tasks to a student.  
Select the tick box next to the student's name.

## Reviewing student progress

As your students complete tasks their marks will appear within the assign square next to their name. That square will change colour based on the student's result (please refer to the colour key below):

View Key	
	Assigned
	1 - 20% Complete
	21 - 40% Complete
	41 - 60% Complete
	61 - 80% Complete
	81 - 99% Complete
	100% - Proficient

## UPF page support

- How it works – Quick video introduction to the page  How this works
- View Key – See what each colour represents in the assign square  View Key
- Expand All – All Learning Journeys/tasks become visible  Expand All
- Collapse All – Hides all Learning Journeys/tasks  Collapse All

The screenshot shows the 'Assign & Review' interface for 'Understanding, Practice & Fluency'. It includes a sidebar with navigation options like 'Home', 'Manage Students', 'Courses', 'Assign & Review', 'Results', and 'Reports'. The main area displays a table of curriculum standards with columns for 'Class', 'Group', and 'Students (11)'. The table lists standards such as 'GC03MNA01 Numbers up to 4 digits' and 'GC03MNA04 Add and subtract with mental strategies'. Each standard has a corresponding 'Assigned' checkbox and a color-coded progress indicator.
