

## Curriculum-Aligned Activities

**Learn** gives students access to curriculum-aligned practice activities and support materials, designed to consolidate a deeper understanding of concepts.

## Explore

**Explore** helps students develop their critical and creative mathematical thinking through Problem Solving & Reasoning Questions.

## Game-Based Learning

**Play** offers a range of engaging mathematical games including Live Mathletics, Multiverse and Rainforest Maths and more.

## Assigned Tests

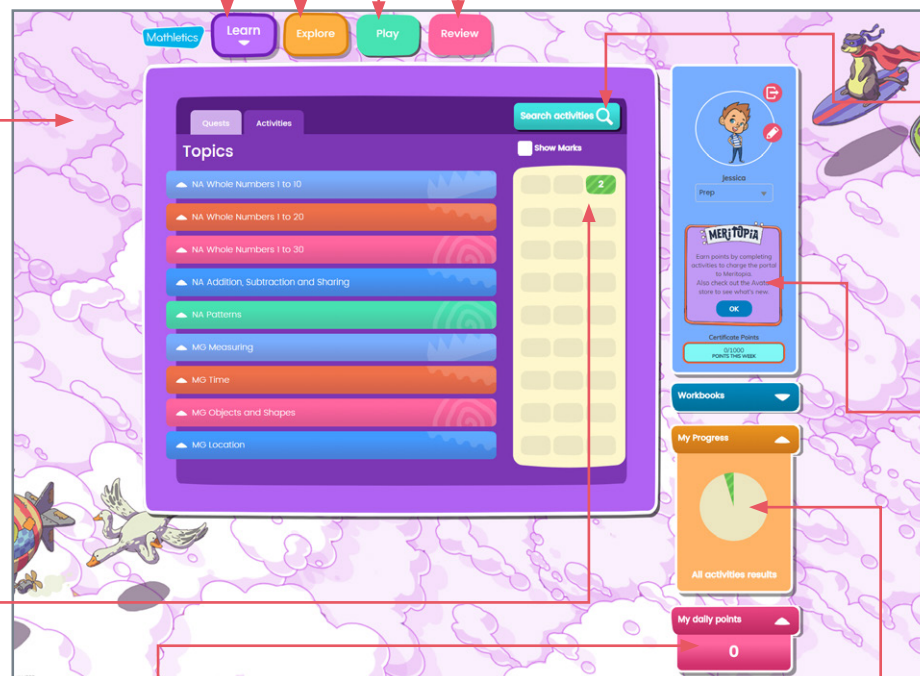

**Review** is where the students can access assessments that have been set by teachers.

## Personalised Learning Environment

The **student interface** is customisable, allowing students to create their own avatars and modify their backgrounds.

## View Results

The **traffic light system** allows students to easily track their progress through each topic. Red signals require additional study, yellow signals indicate that the student's understanding is developing and green shows evidence of mastery.

## Search

**Students** can use the search function to quickly find curriculum activities or content.

## Meritopia

**Meritopia** An engaging student reward system. Students earn points as they complete activities which opens the door to an interactive game like world.

## Celebrate Learning!

Daily and weekly point indicators let students know how many points they have earned for correctly answering curriculum activities and Live Mathletics questions, as they work towards earning certificates and claiming their place on the Mathletics Hall of Fame!

## Self-Directed Learning

**My progress** shows the total number of activities completed, with the results clearly displayed, to allow students to identify strengths and weaknesses in their own learning.
