

Mathletics Scavenger Hunt

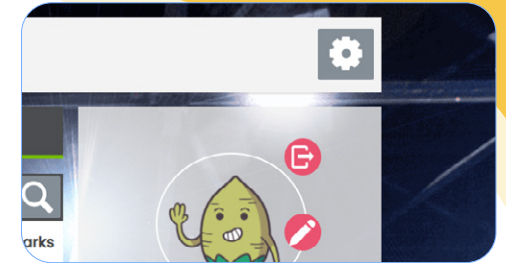

After you have completed your Launch Lesson at school, take this scavenger hunt home to complete on your own or with your family. There is a space to write your answer for each question.

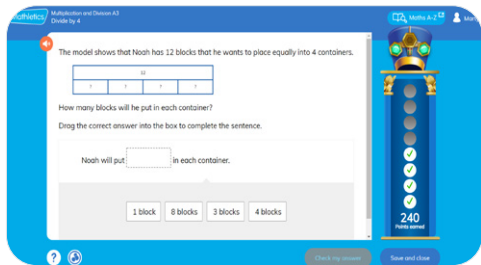

Name two different ways to play Live Mathletics.

In which section would you find assignments from your teachers?

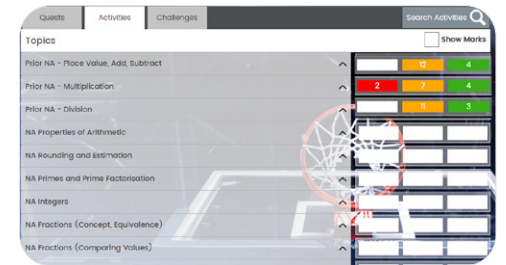

What can you change when you click on the gear icon?

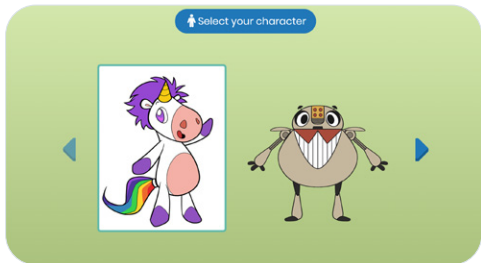

In a Quest, what button can you click on to find worldwide language features?

What is your favourite part of Mathletics?

Under which button would you find Activities and Questions?

What button do you click to customise your avatar?

Name two games you can find in the Play section.

How many points do you need in one week to earn a certificate?
