Readiwriter

Dear Parent or Guardian,

Your child is using Readiwriter as part of their spelling studies at school. Readiwriter is an education program developed hand in hand with teachers across the globe.

Your child has take-home access to Readiwriter — they simply sign in with their Readiwriter username and password using any compatible computer or mobile device.

The extra Readiwriter practice at home can make all the difference to your child's progress. Encourage them to achieve a weekly target of 1000 points to earn a certificate, building through bronze, silver and gold across the school year. Go for gold!

Sign in with your child to start exploring what Readiwriter has to offer:

- 1 Visit login.readiwriter.com.
- 2 Explore all the engaging activities and games.
- 3 Check out 'My Progress' for your child's activity results and certificates.

Engagement is at the heart of Readiwriter Spelling. The student console puts your child in charge, granting them access to all tools and activities. Activities such as Syllable Sushi, Magic Boxes and Look, Say, Cover, Write, Check are designed to captivate your child's interest, encouraging autonomous learning and discovering the joy of learning.
