

Readiwriter Student Console

Readiwriter

Spelling

Prepare: Learning Statement – information about the learning intentions, example words and extra information or guidance.

Show: Word Facts – a reference tool that provides detailed information around each word within the selected word list.

Edit – Students can edit their avatar.

Student word lists – List of word lists assigned by the teacher. The student selects the word list to work on.

Revise – Students will find Readiracer, a fun and fast-paced way to practice their revision words.

Student avatar – Student's personalised avatar.

Logout – Log out of their student account.

Certificate points – Details points earned in the week. When clicked students can review certificates earned.

Explore (Magnify): Activities within Explore develop vocabulary knowledge through exploring meanings and contextualising words within a sentence. Enhancing the links between spelling and vocabulary.

Practise (Master): Activities within Practise focus on building a student's lexical store through practise and fluency tasks.
