

# Readiwriter Student Console

Readiwriter

Spelling

**Prepare: Learning Statement** – information about the learning intentions, example words and extra information or guidance.

**Show: Word Facts** – a reference tool that provides detailed information around each word within the selected word list.

**Edit** – Students can edit their avatar.

**Student word lists** – List of word lists assigned by the teacher. The student selects the word list to work on.

**Revise** – Students will find Readiracer, a fun and fast-paced way to practice their revision words.

**Student avatar** – Student's personalised avatar.

**Logout** – Log out of their student account.

**Certificate points** – Details points earned in the week. When clicked students can review certificates earned.

**Explore (Magnify):** Activities within Explore develop vocabulary knowledge through exploring meanings and contextualising words within a sentence. Enhancing the links between spelling and vocabulary.

**Practise (Master):** Activities within Practise focus on building a student's lexical store through practise and fluency tasks.
