

Readiwriter Teacher Console

Readiwriter
Spelling

3P button: Flick between Mathematics and Readiwriter Spelling.

Create learning groups: An interactive guide on how to set up student groups within your class — ideal for differentiation.

Search Readiwriter courses and word lists: An interactive guide on how to find courses and word lists.

Switch to Spellodrome: Switch back to the Spellodrome teacher console.

Classes: Manage your class area (manage groups, sign-in details, sign-in cards).

Plan: Word lists and courses – view courses, word lists, create word lists, create your own words and assign to groups/classes.

Teach: Teacher Demonstration Area, perfect for front-of-class demonstrations.

Reports: View students' spelling progress and print certificates.

Add my own words: An interactive guide on how to add words that aren't available in the program.

Assign word lists: An interactive guide on how to assign word lists to your class.

Use Teacher View for instruction: An interactive guide on how to launch the Teacher Demonstration Feature.

Your profile: View/update your teacher details.

Feedback button: Provide feedback on Readiwriter Spelling.

Create Word lists: An interactive guide on how to create your own word lists.
