

# Quick Guide to Differentiation with Mathseeds

## 1 Assign a Driving Test

- Click **Assignment**
- Click **Create Assignment**
- Select students
- Add a start and due date
- Select **Driving Test**
- Click **Create this assignment**

Once students have completed their Driving Test, click into **Manage Assignments** to view results.

Reset

Add a Start and Finish Date

Start date  
20/05/2020

Due date  
21/05/2020

Or Duration (in days)

## 2 Create learning groups

- Click **Management**
- Click **Manage Classes**
- Enter new class name
- Click **Students** and select students you would like in your new group
- Click **Add existing students into your class**

You can differentiate learning by assigning bespoke lessons to your new group (class). You can move students to another group/class anytime as they progress.
