

# Mathseeds Student Console Map

## Mental Minute

The area is designed specifically to build math fact fluency - the ability to recall basic math facts accurately, quickly and with ease.

## Lessons

This is the heart of the program, the Math lessons. Students progress through lessons as their math skills increase, earning golden acorns and pets as rewards!

## Driving Tests

More than 340 highly motivating tests assess students' skills and knowledge with a fun reward game!

## Play

The Playroom consists of seven sections with more than 120 activities. Students can access the playroom at any time simply by clicking on the Playroom icon.

## Shop

Students can buy items from the shop using their golden acorns earned by completing lessons. These items can be used to decorate their Treehouse.

## Arcade

Students can reward themselves by playing an arcade game. Each game costs 10 acorns.

## Treehouse

Each student can visit their Treehouse and find rewards earned or items bought from the shop. Students use these items to decorate their Treehouse.

## Awards

This is where the student certificates are located. Students can print their certificates to take home or display in the classroom.
